

# Saving Essentials

## Facilitator Feedback Survey

Thank you for running the Saving Essentials Workshop. Please take a few moments to complete this feedback form so that we can make any required updates.

Conducting the session	
Did you have everything you need to conduct the session?	
Were there any other resources or materials that would have been useful to have?	
Did you face any logistical issues in setting up the session?	

Instructions	
Were the instructions and guidance included in <u>the</u> facilitator pack clear?	
Was there anything missing?	

Participants	
Did the participants struggle with any content or concepts delivered during the session?	
How did you overcome this?	
Is there anything that could be included in the session pack to resolve this?	

Workbook	
Were participants able to easily use the workbook?	
Were there any parts of the workbook that were difficult to understand?	
Was there anything missing <del>in</del> <u>from</u> the workbook?	

<b>Materials provided</b>	
Do you have any other general feedback on the session slides?	
Do you have any other general feedback on the facilitator guide?	
Do you have any other general feedback on the workbook?	

Overall feedback	
<p>Please use this space to give some overall feedback on the session.</p>
