Can you advise Tami, Will and Daisy?

Where is the best place for them to keep their money safe?

<p>Tami</p> <p>Tami gets £2 pocket money each week. At the weekend she likes to go shopping. She spends her money on stickers and comics.</p>	<p>Will</p> <p>Will has just received £15 for his birthday. He is saving up to buy a games console. He doesn't want to be tempted to spend his money before he has enough for it.</p>	<p>Daisy</p> <p>Daisy earns money from a part-time job at the local cinema. She is saving to go on holiday, and she needs money to get to college each day</p>
