

Money box or bank accounts? Age 7-9

You have learnt about the importance of money and how best to keep money safe. Here are some more fun things to do or talk about at home.

You learnt about money and what you like to do with it.

▪ Spend it, save it.

Draw a poster to show all of the different things you like to spend money on. Add in some things you want to save up for.

THINK! It's good to keep track of what you spend and save. That way, you know how much money you have.

You learnt about banks and savings accounts as an alternative place to keep your money.

▪ Ad break.

Make a list of all the banks you see advertised on the TV. What do they talk about? Can you think of any that aren't on your list?

THINK! Have you got a plan to save money? It might help you buy something you really want.

You learnt about where to keep money safe.

▪ Box clever.

Make your own money box to keep your money safe at home. (Why not ask an adult to help you look for instructions on the Internet?).

▪ Ask an adult.

How many different places can they think of to keep money safe? Can you think of more than them?

THINK! When you go out and take money with you, could you use a purse or wallet to keep it safe?

You learnt about other ways to pay such as using a debit card, gift card or digital payments.

▪ Get creative.

Design your own debit card. What should it include?

THINK! Gift cards and vouchers only last a certain time. Always check the expiry date so you don't lose out.
